REMARKS

Sir:

Please consider the following remarks.

REMARKS

Pages 7 and 23 of the specification refer to the bifocal intra ocular lens product, CeeOn 811E, by Pharmacia, Corp. On 6/20/2007 and 7/5/2007, the undersigned spoke with inventor Henk Weeber. Dr. Weeber conveyed that the CeeOn 811E was launched in 1994, and was sold only outside the United States. Dr. Weeber also conveyed to the undersigned that both surfaces of the CeeOn 811E had spherical shapes, that the Ceeon811E had a diffractive pattern imposed on one of those surfaces, and that the shape of the surfaces of the echelettes of the diffractive pattern was not spherical.

Respectfully submitted,

7/5/2007

/RichardNeifeld#35,299/
